**PETITION TO REVIVE UNAVOIDABLY
ABANDONED APPLICATION**

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicant petitions to revive the above-identified U.S. patent application under 37 C.F.R. §1.137(a). A Notice of Abandonment under 37 C.F.R. §1.821(g) was mailed by the U.S. Patent Office on April 20, 1999. Applicant respectfully submits that this Notice of Abandonment was mailed in error, and that the case should not now be abandoned. Hence, the entire delay, including the delay from the date of the discovery of the abandonment of the application through the date of this Petition, was unavoidable.

Authorization for payment of the Petition fee under 37 C.F.R. §1.17(l) is filed herewith. Documents attached as appendices A-F establish that any delay in prosecution was unavoidable, and that Applicant has not abandoned the application, as follows:

Applicant originally filed the present patent application on March 30, 1998. This application was filed without the application fee, so that a Notice to File Missing Parts was properly mailed by the U.S. Patent Office on November 6, 1998. The Notice to File Missing Parts is attached as Appendix A.

In response to the Notice to File Missing Parts, Applicant timely filed a Response to Notice of Missing Parts and Petition to Extend Time for three months on April 6,

Application No.: 09/050,796
Page 2

1999. The Response to Notice of Missing Parts and Petition to Extend Time are attached as Appendix B.

Applicant received the postcard bearing the U.S. Patent Office date of receipt of April 12, 1999 attached as Appendix C.

The U.S. Patent Office mailed a Notice of Abandonment under 37 C.F.R. §1.53(f) or (g), as attached as Appendix D. Applicant submits that this Notice of Abandonment was sent in error, and the present application should not be considered abandoned at this time.

In response to the Notice of Abandonment, Applicant timely filed a Petition to Revive Unavoidably Abandoned Application with copies of Appendix A-D on April 27, 1999. Applicant notes that the Notice of Abandonment was received on April 22, 1999 by Applicant's attorney, and that the present Petition was filed within one week of that date. Thus, the Petition was promptly filed after Applicant was notified of the abandonment. The Petition to Revive Unavoidably Abandoned Application is attached as Appendix E.

Applicant received the postcard bearing the U.S. Patent Office date of receipt of May 3, 1999 attached as Appendix F.

If the application is considered abandoned, Applicant requests that the application be revived. As the attached documents show that the entire delay in prosecution of this application has been caused by Patent Office errors, the entire delay has been unavoidable.

Applicant believes that no fee is due because the correction is due to Patent Office errors. Please charge any additional fees or credit overpayment to the Deposit Account No. 20-1430.

Respectfully submitted,

Michael E. Woods

PETITION TO REVIVE UNAVOIDABLY
ABANDONED APPLICATION

Box DAC
Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicant petitions to revive the above-identified U.S. patent application under 37 C.F.R. §1.137(a). A Notice of Abandonment under 37 C.F.R. §1.821(g) was mailed by the U.S. Patent Office on April 20, 1999. Applicant respectfully submits that this Notice of Abandonment was mailed in error, and that the case should not now be abandoned. Hence, the entire delay, including the delay from the date of the discovery of the abandonment of the application through the date of this Petition, was unavoidable.

Authorization for payment of the Petition fee under 37 C.F.R. §1.17(l) is filed herewith. Documents attached as appendices A-D establish that any delay in prosecution was unavoidable, and that Applicant has not abandoned the application, as follows:

Applicant originally filed the present patent application on March 30, 1998. This application was filed without the application fee, so that a Notice to File Missing Parts

Application No.: 09/050,796
Page 2

was properly mailed by the U.S. Patent Office on November 6, 1998. The Notice to File Missing Parts is attached as Appendix A.

In response to the Notice to File Missing Parts, Applicant timely filed a Response to Notice of Missing Parts and Petition to Extend Time for three months on April 6, 1999. The Response to Notice of Missing Parts and Petition to Extend Time are attached as Appendix B.

Applicant received the postcard bearing the U.S. Patent Office date of receipt of April 12, 1999 attached as Appendix C.

The U.S. Patent Office mailed a Notice of Abandonment under 37 C.F.R. §1.53(f) or (g), as attached as Appendix D. Applicant submits that this Notice of Abandonment was sent in error, and the present application should not be considered abandoned at this time.

If the application is considered abandoned, Applicant requests that the application be revived. Applicant notes that the Notice of Abandonment was received on April 22, 1999 by Applicant's attorney, and that the present Petition has been filed within one week of that date. Thus, the present Petition has been promptly filed after Applicant was notified of the abandonment. As the attached documents show that the entire delay in prosecution of this application has been caused by a Patent Office error, the entire delay has been unavoidable.

Please deduct the petition fee, pursuant to 37 CFR §1.17(k), of \$55.00 from the Deposit Account No. 20-1430 of the undersigned. Please charge any additional fees or credit overpayment to the above Deposit Account. This Petition is submitted in triplicate.
